

SICO's best technology

Ref: A19200 POWERFUL BLOWER DUST REMOVER 400ML KING

Powerful blower dust remover for all kind of surfaces.

Operates by blowing pure, neutral and dry gas, allowing dust removal of the most fragile surfaces without abrasion.

The extension tube provides excellent efficiency even on surfaces difficult to reach.

Dust removal of all sensitive surfaces: optical scanners, cameras, phototypesetters, watchmaking, glasses, card readers, CDs, computers, micrographs, etc.

INSTRUCTIONS FOR USE

Do not use near heat sources. Use only in well ventilated areas.
Use only on switched off devices. Switch off the devices and let them cool down.
Place the extension tube in the actuator hole for better efficiency.

This product may frost. Spray at least 20cm on areas to be dusted. Spray by short pressures.

Do not agitate during use.

Always use the aerosol in an upright position.
